

VIKAS INTERNATIONAL SCHOOL KUALA LUMPUR, MALAYSIA

NEWS LETTER:

A peep into the week.

Dear Vikasians,

On this auspicious occasion of Hari Raya Aidilfitri, the Management and staff of Vikas International School wishes all our Muslim friends as well as all our students Happy Hari Raya and Aidilfitri, as festivals are celebrated by everyone together in this country.

May Aidilfitri be the source of high spirits and positivity for you.... May you be surrounded with feasts and fun with your loved ones....

Selamat Hari Raya
Aidilfitri

The term is already well underway and again we seem to have begun the new academic year with a vernacular start.

We are very much delighted to see all our new staff and students have settled in well to Vikas International School and all our students are well and truly underway with the studies, as we complete our week 2.

Our hard working staff and students are seen spending time learning through activities. Students were seen exploring new concepts in maths and science. They were encouraged to speak on various topics in ESL hours, as a child having a voice and be assertive is an important life skill that may benefit their future. They were also too enthusiastic and energetic to play around with their friends in the PE periods. Same eagerness and passion was seen in every activity based on each subject.

In all this world there is nothing so beautiful as a happy child..

What else shall make us happy?

Wishing all our Vikasians a glorious week ahead. Have maximum fun and rejuvenate yourself to have an awesome second coming and to continue enjoying studies through fun filled activities. Hoping to see our school with 100% strength from the next working day....

Happy Holidays.....
