

VIKAS INTERNATIONAL SCHOOL KUALA LUMPUR, MALAYSIA

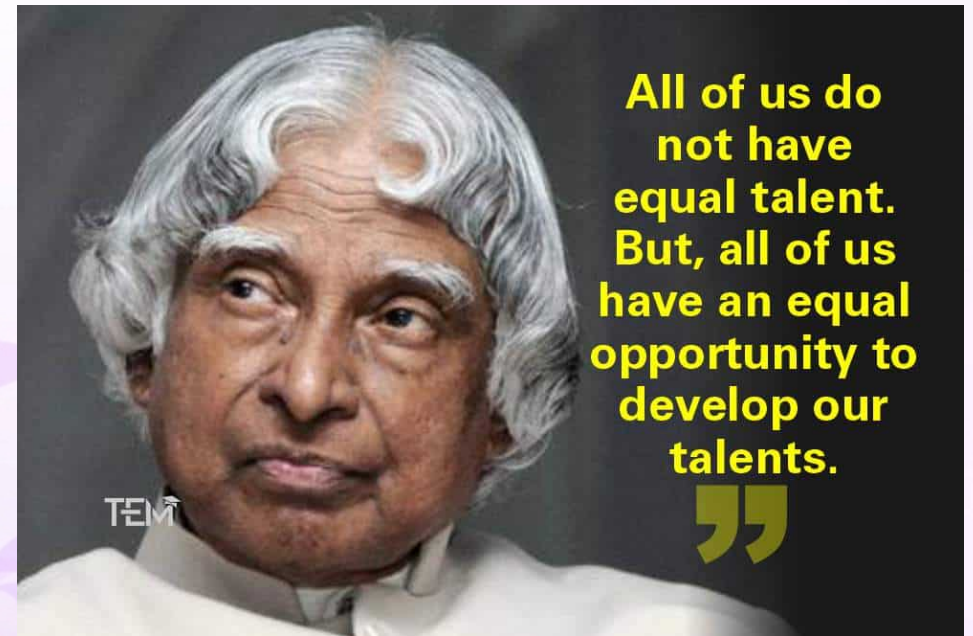

NEWS LETTER:

A peep into the week.

Dear Vikasians,

"Your talent determines what you can do. Your motivation determines how much you are willing to do. Your attitude determines how well you do it".

And yes!! Our Vikasians proved what they could do, how much they were willing to do and how well they could do it. We witnessed our students displaying variety of talents last week, both in academics and in our talent show.

We really had a very wonderful and happening week. Our Vikasians showcased a large selection of the amazing talent at school, from Standard 1 to Standard 10. We were amazed by feats of magic, thrilled by dramatic dances and songs, entertained with comedy, creative and skillful arts and awed by masterful instrumentals. Each and every performer took their moment and shone. The confident they showed, when facing such a large group of their peer, was truly impressive and showing an amazing strength of character.

We were also lucky to have a top class judging panel, including several teachers of our school.

Competitions are not about winning alone. Participation needs a lot more courage than winning. Every failure is a step taken towards success. We would really like to appreciate each and everyone of the contestants for showcasing such amazing talents. But as it's a competition we are forced to pick a few who performed well, which was really a tough job for all the judges. We would like to announce the names of students who were selected the best among the bests.
