NEWS LETTER:
GLIMPSE OF THE WEEK**

Dear Vikasians,

We are immensely overjoyed to see our dearest children back to school after a break. The children certainly seem to be settled, happy to be back, glad to see their teachers and friends and keen to learn, which is great as we have a lot of exciting things planned to look forward to. Each year brings a positive change. It includes few additions to our staff, a new timetable and a lot of fun – filled activities. We truly appreciate our students and parents for accepting the change and settling down comfortably. Our enthusiastic and dedicated teachers are fully set to hit the ground running.

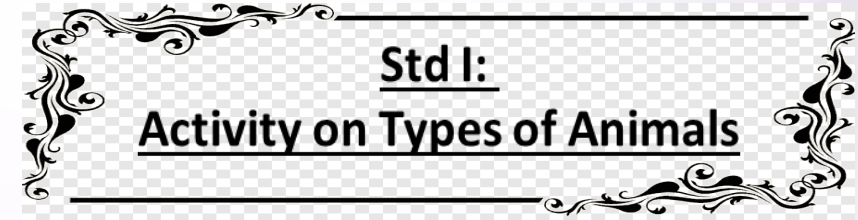

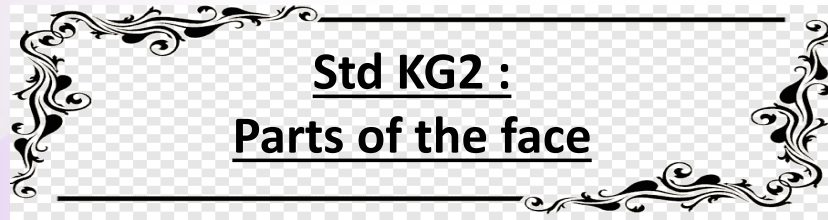

The term has begun and we could see the students spending time learning through various activities with eagerness. All are super excited for the school exhibition and gearing themselves up to give their 100% in their respective subject. Also, the teachers are guiding them throughout. Kids are motivated and encouraged to perform activities, participate in class discussions, get their hands on robotics and enjoy their Art, Yoga, P.T. and Aerobics classes. What a good start to a term! Looking forward for more energy and enthusiasm in the coming days.

Also, happy to share that we have successfully started our KG classes and teachers are taking a lot of efforts to make them feel like home.
