

**VIKAS INTERNATIONAL SCHOOL**  
**KUALA LUMPUR, MALAYSIA**  
**WEEKLY NEWSLETTER:**  
**GLIMPSE OF THE WEEK**

Dear Vikasians,

It has been an amazing week for all of us. Children are extremely happy as they finished their Midterm – II test. They are curious to know their marks and desperately waiting for it. Teachers have already started teaching new lessons with various class activities, PowerPoint presentations, practical's and class discussions. They have absolutely enjoyed this week.

Sports day is around the corner! The practice for Sports day has already begun. Kids are enjoying this time practicing and spending time with their teachers and group members daily. We appreciate the kids to have that sporty spirit in them and also for co-operating their teachers. We are also glad to know that there were very less absentees this week. We hope to see the same strength in the coming days. All the kids are taking this event seriously, contributing and giving their best to make this day a grand event. We truly acknowledge the efforts of our children.

We also had our first Sports day rehearsal on Thursday. A host of events were rehearsed and got approved. All of them were overjoyed to see the performances right from KG to Class X. Children and the teachers got a positive feedback from Principal madam and also got suggestions. Practice will be on going until the big day.

So, finally the Sports day date is out and we request all the parents to kindly mark the date in your calendars – **1<sup>st</sup> October 2022 (Saturday)**. We assure you all that we won't disappoint you and you will be going back home with your happy faces. Keep encouraging your kids to be present in school until this day.

It's a long weekend!! Yay!! We wish all the Malaysians a very happy **Malaysia day**. We are sure that you must have planned something fun and exciting to spend your long weekend with your kids. Enjoy the most of it! Stay energetic and happy!

**Happy weekend!**

**Dates to Remember**

**21<sup>st</sup> September :- World gratitude day**  
**1<sup>st</sup> October :- Sports day**
