WEEKLY NEWSLETTER:  
GLIMPSE OF THE WEEK

Dear Vikasians,

We truly had a fun – filled week. Sports day practice is still going on with a bang! Kids are seen dedicated and are taking utmost effort for this event. We are glad that our kids are enjoying these days and it's worth every minute to see the smiles on their faces. It is said that, **“Unity is strength...when there is teamwork, wonderful things can be achieved.”** Keeping this in mind, we are working really hard to stick to this. Kids are getting to know their school mates through this process. Different students of different age groups are combined together in groups and were seen helping and guiding each other throughout. We feel delighted to see them standing for each other. This is how ‘Teamwork’ looks like.

We had the rehearsals for Sports day again this week. Students are getting better in their performance day by day. Some periods were taken for the Sports day practice and the remaining periods were conducted as usual. Homework's were also shared accordingly. We can say that it was a mixture of both fun and studies. We thank the parents for their continuing support and all the motivation they give to their kids. Keep doing the same!

Let's sit back comfortably and go through the activities done by the kids this week...

Finally!!!! The Sports day invitation is out. We all are extraordinarily thrilled for this day. I am sure that you all are also waiting for this event. Venue, date and time has already finalized. So, we request all the parents to join us on this day and watch our kids perform. We assure you that they will surely bring a wide smile on your faces.

Enjoy your weekend with friends and family!

**Happy weekend!**
