NEWS LETTER:
GLIMPSE OF THE WEEK

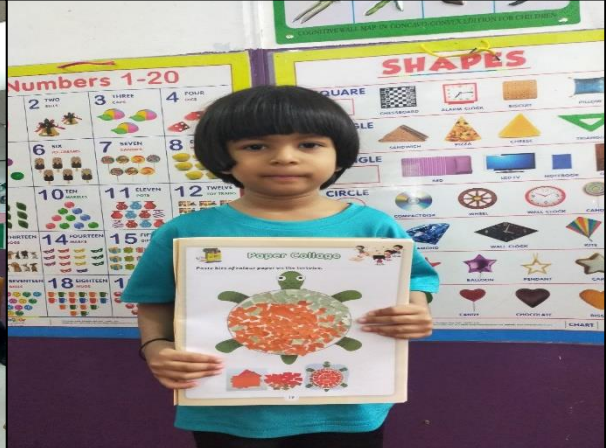

Dear Vikasians,

Exams are just around the corner!! This week was full of preparations for the upcoming exams. Revisions and tests were conducted by every subject teacher. Students were assessed according to their performance in the class tests. Kids were also seen busy in completing their pending work and teachers were busy in corrections. Kids got their completed books stamped from our Academic in charge. They got their doubts cleared from the respective teachers and started working on them. The coming few days are going to be a little tough for the kids as they have to prepare for their exam. But we are sure that they will rough it out with their incredible ways and a smile on their faces. No matter how hard it will be, they will surely ace it. We are trying our best to make our kids write their exam without any fear.

We have already posted the rescheduled timetable for Half – Yearly exam taking into consideration of the General Elections in Malaysia. Some kids already received the hall tickets of the same. The exam fever is absolutely on and kids cannot keep calm. This is the most crucial time to check on the kids and help them throughout this process to overcome the difficulties. We are doing our part and expecting the same from your side. Do not forget that each one is special and beautiful. We should not stress them to perform better than anyone else. Just be by their side and guide them wherever necessary.

Take a look into this week's activities....

Hope you have a great weekend!! Do not forget to study and take breaks in between. Eat healthy and get a good sleep without stressing yourself. See you next week!

IMPORTANT
dates to remember

Half – Yearly exam – 18th November 2022 to 28th
November 2022
Regular school - 17th November
