NEWS LETTER:
GLIMPSE OF THE WEEK

Dear Vikasians,

School bells are ringing loud and clear, vacations are over and school is here. We are glad to welcome our wonderful students back to school and a special welcome to all of our new students and families as we embrace a new fresh term . The children have come back enthusiastic, energized and ready to learn after a good break of a relaxing vacation. Teachers are excited and delighted to see the kids back to school.

We started our week after vacations with a morning assembly. Class 8 kids conducted the assembly. Our beloved Principal madam welcomed the kids and also the added staff members. The classes were resumed according to the timetable. We would like to thank all the parents for your constant support and trust that you have in us. Last year was indeed a very tough one for all of us. This year has blessed us with many positive and exciting things. Our school strength is increasing because of the equal efforts taken by the school and parents. Let the faith continue in the coming years and may we continue to grow together and reach greater heights.

As we are entering into the last term of this academic year, we would expect the same dedication and enthusiasm from the kids. Let us ensure that our kids are disciplined throughout. Let us work hand in hand for the betterment of our kids and complete this academic year successfully.

The class activities and other activity periods started as usual and students were seen having fun in the respective class. Let's take a sneak – peak into this week's activities.

This term is also going to be full of exciting activities, celebrations, new challenges and events. Talking about the coming week, we will have a wonderful Pongal celebration in our school premises on the coming Thursday with lots of exciting events. Also, we will be announcing the dates of the field trip soon. Kids are desperately waiting for this day and super thrilled to go out on the field with their teachers and friends.

We also request the kids to be regular and punctual to school. The number of attendance was quite less this week. We are hoping that there will be 100% attendance from the coming week.

Happy weekend!!

On behalf of the school, we wish you all a very happy and prosperous new year. May this year bring warmth of love, positivity, new achievements and a lot of new inspirations in your life.
