On Saturday, we had a successful Parent-Teacher meeting of KG and secondary classes, and it was an excellent opportunity for us to meet with the parents in person. We would like to extend our heartfelt gratitude to each and every one of you for your support and presence during the meeting. Your involvement and support mean a lot to us and we are grateful for the partnership we have with you in providing quality education to your children.

We would also like to remind you that the Parent-Teacher meeting for the Primary section will be conducted on 18th February from 9 am to 12 pm, and we kindly request you to make it a point to attend and get an update on your child's progress. This meeting is an important opportunity for you to discuss any concerns you may have, and for us to share with you the progress and achievements of your child.

Have a lovely weekend!! Enjoy your time with family and friends!!
