NEWS LETTER:
GLIMPSE OF THE WEEK

Dear Vikasians,

We hope that this newsletter finds you well. We have had a short, amazing week together. As the working days were less this week, kids got more time to spend with their family and friends and enjoy these days. As you all know, we celebrated 74th Republic day this week. Some Secondary kids were busy in practicing before this big day for their performance. Meanwhile, our students have also been actively participating in regular classes and various other activities throughout the week. PT sessions were conducted for students as usual to help them maintain a healthy and active lifestyle. Reading sessions were also organized for KG kids to encourage students to develop the love for reading and improve their comprehension skills. Additionally, our students also worked on Social and Science projects, where they had an opportunity to apply their learning and contribute to the community.

Republic day celebration at High Commission of India

On January 26th, a group of our school students had an opportunity to showcase their talents and represent the school at the Indian High Commission's celebration of India's Republic Day. The program started sharp at 8 a.m. The event was graced by the presence of High Commissioner H.E.B.N. Reddy, who hoisted the Indian flag. It was then followed by the series of events, starting with the speech of the High Commissioner , and then various dance and singing performances. Other school also participated in the event with their own cultural performances. Our students performed an energetic and patriotic dance routine on some of the India's most iconic songs, which was received with great appreciation by the audience and the commissioner. After the event, a delicious breakfast was served to all the participants as a token of appreciation. It was a proud moment for our students as well as the school to be a part of such a significant national event.

We would like to express our gratitude to all the parents and guardians for their continued support and for entrusting us with the education of your children.

As you already know that our 2023 school admissions have started. We request you all to kindly share this poster with your family and friends and contribute. It would surely be of great help to our school.

We look forward to sharing more updates with you in the coming weeks and we hope you have a great weekend and we wish you all a very Happy Republic Day!

1st February – Federal Territory day (Public holiday)

5th February – Thai Pusam
