

**VIKAS INTERNATIONAL SCHOOL**  
**KUALA LUMPUR, MALAYSIA**  
**NEWS LETTER:**  
**GLIMPSE OF THE WEEK**

Dear Vikasians,  
Greetings!

The past three weeks have been eventful and exciting for us at school. Even though we had several public holidays, we were able to complete all our classes on working days. We also welcomed many new students to our school, and we are happy to see them settle in well. Our activities have been conducted according to the subjects, and activity periods were held as usual. It's nice to see our students take on new challenges and work hard to achieve their goals. Meanwhile, our students have been preparing for their Mid-term I tests, which are scheduled to begin from Monday. It's the first test of this academic year, and we hope to see some excellent results. We advise all our students to study well, stress less, and remember that it's just the beginning of the academic year.

**KG 1: Alphabet 'A' colouring activity**

**KG 2: Enjoying the class**

activity

Class 5: PT

### Class 8: Onion peel cell activity

### Class 7 : Germination of seed and Nutrition in bread mould

### Class 5: Art

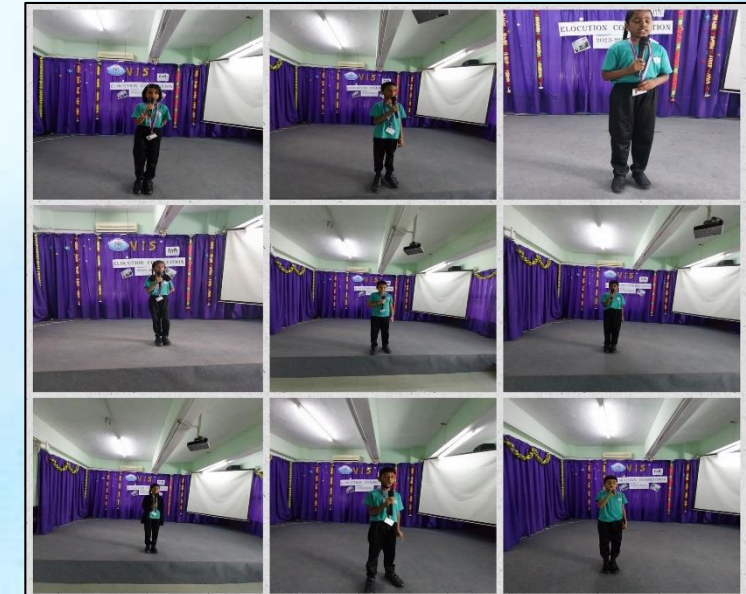

### Class 7: PT

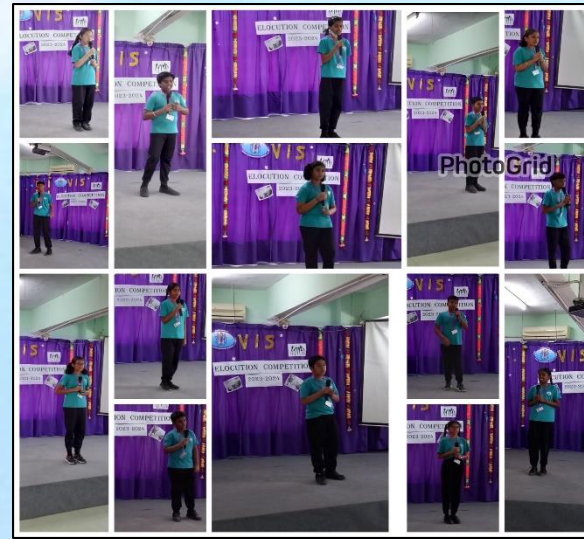

Last week, we had **elocution competition** for students from classes 4 to 10. The topics were varied, and the students showcased their exceptional talents in speech and deliverence. The competition was conducted according to class groups, and the names of the selected students from classes 6 to 10 for the final round will be announced soon. The selected students will be given some time to prepare for their new speech.

Also, the winners of classes 4 and 5 will be announced in the assembly in the coming days. All the best!

We also had the opportunity to be a part of the **Tamil event (TEM ONDRU KOODUL – 2023)** at Kandhai hall, last Saturday. Vikas International school was one of the sponsor's of this event. Few students of our school had a chance to display their talents on stage. They performed on a medley of songs and got appreciation from the audience. We are proud to say that they did a fantastic job with just one day of practice and amazing choreography. Few teachers and our Principal madam also accompanied the students. The event managers felicitated our beloved Principal madam with a trophy and a shawl. She then addressed our school to the audience. Also, our students got a chance to perform during the school assembly for our dearest students who couldn't be a part of that event.

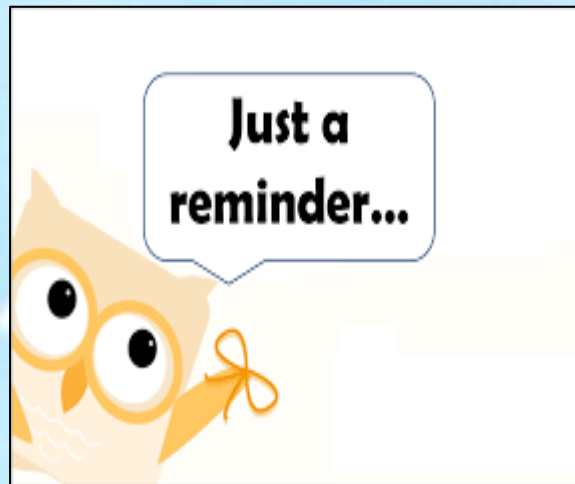

We are thrilled to share some great news with all of you. We are delighted to announce that **Vikas International School has received affiliation** from the education board until the year 2028. This is a significant achievement for us, and we are grateful to all of you for your unwavering support and understanding.

We want to thank our dedicated faculty members, staff, and management team, who have worked tirelessly to make this possible. Their hard work and dedication have played a vital role in achieving this affiliation, and we are proud of their efforts.

**Congratulations to the entire team of Vikas!**

We assure you that we will continue to strive for excellence in education and provide a safe, supportive, and nurturing environment for all our students. We will work towards creating a holistic learning experience that prepares our students for a bright future ahead.

***Wish you all the best for your Mid – term I tests! Rock it!***

**15<sup>th</sup> May to 22<sup>nd</sup> May – Mid - term I tests**  
**(Regular classes will be conducted after the tests daily)**
