

VIKAS INTERNATIONAL SCHOOL
KUALA LUMPUR, MALAYSIA
NEWS LETTER:
GLIMPSE OF THE WEEK

Dear Vikasians,

It has been an exciting and fulfilling two weeks at our School. Last week, we had our **Open Day, which was an incredible success.** The students and teachers put in a lot of hard work to prepare for the day, and their efforts paid off.

The school was beautifully decorated, and the classrooms looked amazing. The children put on a fantastic show for the parents, showcasing their talents in singing, dancing, acting, and even magic. The chess matches and Rubik's Cube competitions were intense and engaging, and everyone had a great time.

Parents were also treated to some delicious food from the stalls set up by the students. The teachers were on hand to welcome the parents and answer any questions they had about the school. Some of our senior students took the parents on a tour of the campus, showing them all the facilities available to the students.

We were thrilled to see so many people turn up for the event, and many parents took advantage of the discounts and offers to enrol their children in our school. It was a wonderful day, and we are grateful to everyone who made it possible.

We would like to take this opportunity to thank each one of you for contributing and supporting to make this event successful. It was only possible because of the teamwork.

‘Teamwork divides the task and multiplies the success.’ So, keep supporting and keep showering your love and blessings.

Women's day celebration - In addition to the Open Day, we also celebrated **Women's Day** in our school on March 8th. The Women's Day celebration was a grand affair, with the students putting on a variety of performances to show their appreciation for their teachers and other staff members. The celebrations began in the morning during assembly, and the atmosphere was electric with excitement and joy. The students performed various dances, mime, and singing acts to show their love and respect towards women. A beautiful video was made for the teachers, highlighting their contributions to the school and making them feel special. The Director Sir graced the event with his presence, and the teachers were rewarded with tokens of appreciation by Principal Ma'am and Director Sir.

We also had a **live session of Flash mob 2023 of Vikas on Facebook** during dispersal, inviting parents to be a part of the celebrations. The children put on some incredible performances, singing and dancing to various songs and making everyone feel special. The parents who attended the event were given a token of love on the occasion of Women's Day. They enjoyed this event thoroughly.

Holi celebration –

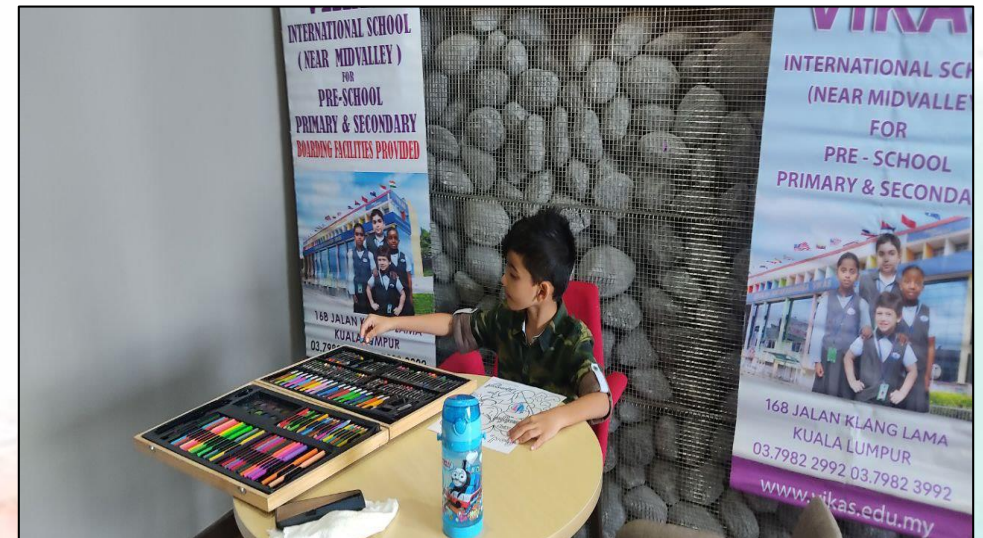

After the Women's Day celebrations, we had a **Holi celebration**, where all of us played with colors and had a lot of fun. Everyone participated in the celebration, and it was a great way to promote unity and harmony among all.

Overall, it has been an eventful and fulfilling two weeks at Vikas School, with the students and teachers putting in a lot of hard work and dedication to make these events a success. We are proud of our students and teachers for their commitment to their education and the school.

Drawing competition –

We would also like to share that our school organized a **drawing competition** at Vivo Residency on 25th February last week. Many small kids participated in this competition to showcase their talent in art. We also went live on Facebook for sometime. Few teachers of Vikas conducted this competition with enthusiasm and spirit. We were exhilarated to see the beautiful artworks of these small angels. They even received certificates of appreciation for their artwork and talent. We thank them for their participation and time.

Wishing all the beautiful ladies a very happy Women's day! May you always inspire and uplift everyone around you with strength, courage and grace!

Also, wish you all a very happy Holi. Have a colorful and joyous one!
